## Our Story

We met online in the fall of 2010 and have never looked back! Bob knew after the first date that he connected with Laura more than anyone he had ever met. Laura loved the way that Bob made her laugh and feel free to be herself. We were engaged a year later and married in May of 2012.

We live in a quiet neighborhood in Lansing, MI with our spunky and cuddly dog Maggie. We are looking forward to expanding our family, and Maggie would love someone new to play with!

## What Brought Us to Adoption

From the beginning of our relationship we knew that adoption may be the way that we grow our family. After a few unsuccessful attempts with fertility treatments and IVF our path became even more clear. Through discussion, lots of prayer and faith we felt this was truly what God had in store for our family.

This decision was made even easier by the fact that Laura's brother and sister-in-law have two adopted children. Knowing that there would be nothing but family support and love for our child gives us much peace.

## Our Hopes, Open Adoption & Relationship with Birth Family

We are praying that God leads us to the birth mother that can see our commitment to her child. You can feel confident that your child will be showered with love and affection in a stable home. It is our intention to expose them to as many opportunities as we possibly can.

We believe in strong relationships so this door will always be open to you if that is your desire. Thank you so much for taking the time to read about our family.

These individuals have met all requirements of the State of Michigan and Catholic Social Services of Washtenaw County to become adoptive parents, may fit your situation and are waiting to welcome a child into their home. If you would like more information about this family, please contact:
